

## Shifting Control of Our Image Session Three

### THE CHALLENGE

- Satan wants to steal our identity.
- One result is we control our image.
  - What we do
  - What we look like
  - What our friends and family do
  - Who we spend time with
- Image control feeds our pride and leads to deception.
- Image control prevents authenticity in our relationships.

### THE SOLUTION

- God's truth brings light and Jesus is the light.
- His truth is greater than our:
  - Ethnicity or social standing
  - Gender
  - Behaviors or bad choices
- God's truth in my life leads to authentic relationships.
- God defines my Image and identity.
