Life Management Skills:

- Prioritizing
- Planning
- Practical Tips for working Hard AND working Smart

Session 4.1 *Life Management*

Biblical Concepts:

- God calls us to . . .
 1. Live wisely, making the most of our time (season or opportunity) and the most of our time (each day given us). (Eph. 5:15; Psalm 90:12)
 2. Work at what we do with all our heart, for God rather than man. (Col. 3:23)
- Women need coaching to learn how to manage their life responsibilities, relationships, and contributions to others' lives. (Titus 2:4-5)

Life Management Skills:

- Prioritizing
- Planning
- Practical Tips for working Hard AND working Smart
